

SOUTH COAST CACTUS AND SUCCULENT SOCIETY

JUNE 9, 1974; 1:30 P.M.

South Coast Botanic Gardens

26701 Rolling Hills Road

Palos Verdes Peninsula

President: Stan Oleson

SHOW COMMITTEE MEETING: There will be a Show Committee Meeting at 12:30 preceeding the regular meeting. Remember to bring your "Notebooks" with your comments on what was right and wrong with how we did it.

PROGRAM: Lillian True will discuss Bonzai Succulents -- a way of growing succulents that has been gathering more and more fans. We need willing hands to help her unload her car and bring things in and then help take them out and load up again after the meeting. Bring in your bonzai succulents. Every one is different and it would be interesting and fun to have a giant collection to feast our eyes on.

PLANT OF THE MONTH: Bob has chosen to tell us all about Anacampseros this month. These are very interesting little plants with a flower that often surprises a person the first time he sees it. Got some? Bring them in.

LET'S FILL THE BRAGGING TABLE ** BRING IN YOUR BRAGGING PLANTS

NEW MEMBERSHIP ROSTER COMING UP: A new roster should be ready for the July meeting. Your dues paid for 1974? There will be a list at the June meeting and members are asked to check to be sure there are no errors or omissions.

***** LAST MONTH *****

The speaker was Ed Gay. Before going into his topic, "How to Graft a Cactus", he explained how it happened that a genus of plants - Morangaya - was named partially after him. He demonstrated several methods of grafting, and a lot of people went home itching to get their hands on a couple of good knives, a few cactus, and a handful of rubber bands.

The Club celebrated its second birthday with finger foods brought by the members and a birthday cake brought by Stan and Val Oleson.

THE TIME AND PLACE OF THE AWARDS DINNER WILL BE ANNOUNCED AT THE MEETING
