

SOUTH COAST CACTUS AND SUCCULENT SOCIETY
 meeting at 1:30 PM, August 13, 1978.
 At the South Coast Botanic Gardens
 26300 Crenshaw Blvd.
 Palos Verdes Peninsula

President, Mary Belle Wallenhorst

PROGRAM; Mr. Loren Gillogly, retired member of the U. S. Department of Agriculture, will present sides on cactus, succulents and imported plants.

PLANT OF THE MONTH; *Frailia* is a genus of minitures from South America and as more species are becoming available, it is a genus we would like to know more about.

WHITE ELEPHANT TABLE -- COME BY AND BUY!

HELP! The South Coast Botanic Gardens need volunteer help to water plants and take care of other duties. They are asking people to sign up for shifts of 9:00 AM to 1:00 PM and 1:00 PM to 5:00 PM. You can call the Gardens or make arrangements at our meeting.

TROPICA, this book by A.B. Graf may be purchased through the club at a 10% discount. It's price is \$98.00, with the discount the amount would be \$88.20. This amount must be paid to our treasurer (along with giving your name and address). The full amount for all the books ordered goes to the publisher at once.

CONSTITUTION: Copies will be at the meeting. Please be sure to pick up your copy.

LAST MONTH: Carol Kennedy presented an excellent program on Hoyas with beautiful slides and a fantastic collection of the plants.
