FALL...

.HALLOWEEN...
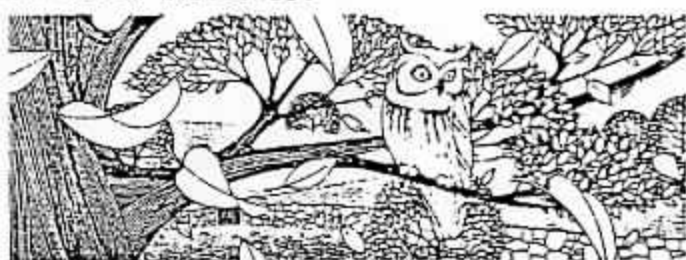

This a fun month, you get to act like a kid again and have a Halloween Party. You can dress up like a Clown or a Goblin and be silly. It's my favorite time of the year. I've worn a Costume for Halloween ever since I was a little kid and since I have been a "Big Kid" too.
Every Year I Dressup like the little kids and it's fun to see the different looks I get when I go to the door dressed up when they are expection just an old mom or dad in regular clothes. I guess I'm just like the rest of the kids I don't want to grow up either.

HAPPY HALLOWEEN EVERYONE
