NOMINATIONS AND ELECTION of officers for 1974

November is the month members make nominations for officers and elect the officers for the coming year. Last month the Nominations Committee gave their nominations:

President	Stan Oleson
First Vice President	Violette Stone
Second Vice President	Mary Belle Wallenhorst
Secretary	Eleanor Barker
Treasurer	Bess Lesovsky

PROGRAM

Gary Lyons of the Huntington Botanic Gardens will talk on the desert gardens.

PLANT OF THE MONTH

Coryphantha is plant of the month. Bring some along with your bragging plants. Often there is so much variations in a species of a genus that the more plants there are, even if of the same species, the better idea everyone can get of what their own plants are. So bring yours even if you do think it is common.

LAST MONTH

Bill Lockwood, President of CSSA, told us of all the various shows and had slides taken at many of them.

Thank you everyone who helped at the Club's booth at the Del Amo Flower Show. Bob Causey says medals are in order for some, but thanks will have to do!
