

SOUTH COAST CACTUS AND SUCCULENT SOCIETY  
REGULAR MEETING, OCTOBER 13, 1974; 1:30 P. M.  
SOUTH COAST BOTANIC GARDENS  
26701 Rolling Hills Road  
Palos Verdes Peninsula

Stan Oleson, President

- \* PROGRAM: Victor Turecek will speak on Argentine Cacti. This is one no one wants to miss. Mr. Turecek is an excellent, knowledgeable speaker, usually accompanied by a charming assistant. And Argentina has many species of cacti with more being found all the time.
- \* PLANT OF THE MONTH: Bursera, a succulent with a large caudex which makes it a very nice bonsai, will be this month's special interest.

BRING IN BRAGGING PLANTS

This time of year is the blooming season for some plants and also the time when the foliage of others reach their most colorful stage, so there should be plenty to brag about.

- \* PLANT TABLE NEEDS POTS. Bob asks that we bring in any small plastic pots (2" and 3") we can spare.
- \* MEMBERSHIP: Bess Lesovsky has been appointed as Membership Chairman and she suspects the records she has received may not be up to date as so few people seem to have paid their dues. Would everyone please check their receipts to be sure their dues are paid for 1974 and if not, please pay them.
- \* CORRECTIONS AND CHANGES FOR 1974 ROSTER:  
First Vice-President: Richard Poedke  
Membership Chairman: Bess Lesovsky  
Walter Meyer: should read Walter and Gertrude Meyer  
Pat Holley: phone number should be 541-1470
- \* GOOD NEWS: Gladys Axcell, who had been in the hospital in intensive care the first part of September - a problem called Cardiac Deficiency - , is now home and only slightly slowed down. Actually sisters Tim and Gladys don't work quite as hard as they used to, but spend as much time at it, taking it a bit easier, enjoying it as ever.
- \* NEW MEMBERS:

James Carmichael

Lomita, Ca, 90717

Constance Cole
