

Meeting JUNE 11, 1978; 1:30 P.M.
SOUTH COAST BOTANIC GARDENS
26300 CRENSHAW BLVD.
PALOS VERDES PENINSULA

Vary Belle Wallenhorst
PRESIDENT

Program: With the help of slides, Carol Kennedy will add to our knowledge of Hoyas -- a genus containing some succulent species. After Hoya carnosa and its varieties, these plants are difficult to find. Carol Kennedy probably has the largest collection of them among our membership.

Plant of the Month: Dolichothele (long nipple) is closely related to the Mammillaries and will be our target this month.

WHITE ELEPHANT TABLE: There have been some very interesting items to turn up here -- be sure to check for nice things no one can resist!

PLANT TABLE: Bring your dollar donation.

Last Month: The projector was still not fixed properly, but with a short delay to put the slides in reverse order & focus manually, Henk proceeded with his program "Cactus & Succulents of the Carribean Island". We sometimes forget these islands when speaking of the habitats of cacti and are inclined to think of U.S., Mexico and South America -- with a few into Canada! After Henk's beautiful and well done presentations I doubt we will continue our error!

THE SHOW: We received many compliments from visitors and from the judges. All ended up very nicely done in spite of a few last minute problems. Most of the people involved were "first-timers" and deserve some special recognition for their efforts and hard work. They did a wonderful job. Trophy winners were:

NOVICE:

- DIV. I - CACTI -- Russ Lepard, Monvillea platysperma crest
- DIV. II - OTHER SUCCULENTS -- Bert Muensterman, Pachypodium lamerii
- DIV. III - MINIATURES -- Barbara Allen, Monanthes polyphylla

ADVANCED:

- DIV. I - CACTI -- Henk Worries, Mammillaria wildii
- DIV. II - OTHER SUCCULENTS -- Gladys Axcell, Crassula argentea 'Sunset'
- DIV. III - MINIATURES -- Greg MacDonald, Gasteria liliputana
- DIV. IV - ARRANGEMENTS -- Stan Oleson, Picture-like arrangements with Aeonium simsii
- BEST IN SHOW -- Russ Lepard, Monvillea platysperma crest

Show Committee Meeting at 12:30 preceding Regular Meeting. This meeting is meant to make it easier next year! All Chairmen (Manager, Hostesses, Reception, Plant Sale, ect.) Please write a short resume of you & your group's activity & add any recommendations for improvements to make it easier, better or both.

New Members: First, a change of address from a long standing friend.
