#### ANNOUNCEMENTS

Now is the time to start potting the cuttings, pups & off shoots of those plants that you plan to donate to the Club's June Show/Plant Sale. Don't delay Don't procrastinate, give those growing plants the time and care they need to root properly. The goal of each member should be the donation of a dozen young plants.

Start saving grocery bags and bring them to the meetings in March, April and May. The plant sale at our show time in June comes quickly. These bags are cut and re-shaped into carriers for sale plants. Give these bags to Norma Holley or Jack Wadleigh.

Eve Workman will gladly accept any Christmas cards that you forgot to bring in January. She recycles them into booklets for distribution to local nursing homes during the 1981 Christmas season.
