

SOUTH COAST CACTUS & SUCCULENT SOCIETY
meeting April 12, 1981 ; at 1:30 P.M.
at the South Coast Botanic Garden
26300 Crenshaw Blvd.
Palos Verdes Peninsula

April 12th is our 9th anniversary
luncheon celebration. The club was
founded in April 1972, and we'll
celebrate with a luncheon of finger
foods preceding our scheduled pro-
gram. All members are to bring

their favorite foods -- dips, chips, small sandwiches, fresh cut-up vegetables,
cookies, cakes, nuts -- to share. Our able Refreshment Committee will provide
coffee and tea.

PROGRAM: Wressey Coke will discuss Epiphyllums.

PLANT OF THE MONTH: Successful exhibitor and winner of our 1980 "Best in Show"
award, Rowena Thompson will share with us some of her own secrets for preparing
plants for exhibit at our upcoming show. Note: Attached are the plant prepar-
ation suggestions published in the 1st Edition (1971) of the CSSA Manual on
Shows compiled by the Judging Standards Committee.

LAST MONTH: We enjoyed a special demonstration on potting and soil presented by
member Eleanor Barker. Several individuals after viewing Eleanor's present-
ation joined our club. We were also able to provide interested individuals who
did not live locally with information of clubs meeting in their respective areas.

ANNOUNCEMENTS:

Reserve May 16 and 17, for Fiesta de Flores, a benefit plant sale sponsored by
the Foundation here at the Garden. It's an excellent opportunity to purchase
the unusual, rare, as well as your garden or house plant favorites.

*SPECIAL NOTE: OUR JUNE SHOW AND PLANT SALE

Have you potted your 2 dozen plants for donation to our plant sale held in con-
junction with our June plant show? This is a vital contribution which all mem-
bers should make. With rising plant purchasing costs this donation has become
very important to the success of our plant sale. We make our greatest profit
off these donated plants. So root those new pups. Divide that over crowded
plant and donate the several new starts. Plant Sale Chairman Ed Hancock can
help by providing you with pots (with the understanding that these club pur-
chased pot are returned with healthy, happy donated plants). Pot those cut-
tings now! The few hours of effort on your part will mean a great deal to the
club.

Assistant Show Chairman Norma Holley needs to know if anyone is planning to dis-
play or enter (for competition) a large collection of plants at the show -- such
as those large, impressive entries last year by Carol Kennedy (Euphorbias, Hoyas),
Bert Muensterman (Euphorbias), and Stan Oleson (Rhipsalis). In finalizing the
show's floor plan any large entries must be taken into consideration. Please
notify Norma before May 1st regarding how many tables or stands for hanging
plants that you'll need for your display or entry.

Reminder, the club's goal this year for our show is to have all members enter

10 to 12 plants for com-
petition. Last year there
were approximately 300
show entries, half of which
won ribbons; and, seven
plaques where awarded.

NEW MEMBERS:

Lois Engleman
5317 Jacques Street
Torrance, Ca. 90503
Phone: 535-2181, 540-7027

Glenda Knepper
3929 W. 146th Street
Hawthorne, Ca. 90250
Phone: 679-8006

Patricia Bell &
Lezanne Bell
2011 W. 240th Street
Lomita, Ca. 90717
Phone: 326-6769

Maybrit DeMairanda
