

South Coast Cactus and Succulent Society's 10th Annual Show and Sale will be held on June 12th and 13th, instead of our regularly scheduled meeting. This is your show and sale and the success of this project depends on you. Are you a wisher, hoping that someone else will do the work? Are you a talker, doing little else? Are you a knocker, finding fault with everything and everybody? Or are you a doer, working toward a successful show by shouldering a fair load of the work? The show and sale are to benefit the club and it's activities during the year, as well as provide club members with the opportunity to share their collected plants with others. Come participate, and support our club in its most important yearly activity. The club needs the support and helping hands of every club member. Please recheck the scheduled times in which you have been signed up to work and don't forget to show up at your appointed hour. For any new club members or anyone who isn't scheduled but can come and work please contact Norma Holley at 835-8109. Try it you'll find that it can be a rewarding way to support your club.

**DONATED PLANTS...** Bring all donated, labeled, sale plants in as early as possible on Friday June 11th. In case you have forgotten, all club members should donate a dozen, clean, potted plants to our sale. These plants should be labeled also. The club receives it's greatest profit from these donated plants. The classrooms shall be open at 12:00 noon for arranging of plants for the plant sale. Club members selling plants as well as those donating plants should be sure and follow the labeling procedures established by the board. It is vital that all sale plants be properly labeled.

## **SOUTH COAST CACTUS AND SUCCULENT SOCIETY**

**ENTERING THE SHOW...** Plants to be displayed in the show must be registered June 11th (beginning at 3:00 P.M. in the auditorium). Each plant entered must have an entry form filled out, and must be listed on a registration form. All **NOVICES** entering shall use the light green forms, while the **ADVANCED** shall use the pink. Bring your plants and filled out forms to the main auditorium as early as possible. We must have the show fully arranged by 10:00 P.M. Friday night. The show will be judged early Saturday morning.

A buffet luncheon is being served in the workroom at 12:00 noon on Saturday, June 12th for show judges, clerks, and elected club officers. The luncheon is being provided by the following club members:
