CONGRATULATIONS to all the entrants, rib-
bon winners, and recipients of Division
Trophies at our 10th Annual Show and Sale
held in June. We are pleased that they
chose to enter our show and share their

beautiful plants with us. Entering a show is more than just competing for
awards. It is an opportunity to share your interest, knowledge, and exper-
ience with others; as well as, an opportunity to meet other avid collectors
and instruct the general public in care and culture.

The Division winners at our June Show were:

Division I Best Cactus: Rowena Thompson, Mamillaria bombycina
Division II Best Succulent: Rowena Thompson, Echeveria
Division III Best Arrangement: Barbara Allen, Dish Garden
Division IV Best Miniature: Eleanor Barker, Echinocereus
Division V Best Collection: Bert Muensterman
Division VI Best Handicraft: Jerri Egell, Needlepoint

The BEST IN SHOW was taken by Rowena Thompson with her Echeveria.

REFRESHMENTS FOR OUR JULY MEETING are being generously provided by the fol-
lowing club members: Ruth Lunder, Fred Rouillon, Bert Muensterman, Eleanor
Barker, and Joe Theuma.

REMINDER...Current President, Karen Holley will be resigning after this July
meeting. This will also leave the office of Newsletter Publisher open for
another club member to fill for the remainder of the year. A Librarian is
also urgently needed. Support your club and the new President by volunteer-
ing to fill these necessary and important offices.

Don't forget to bring any clean BRICKS, WOODEN BLOCKS, POTS or any other type of staging material for the show. Just be sure they are marked with your name and don't forget to reclaim them on Sunday night.

All grocery sacks must be cut and folded and ready for use. Any cardboard boxes suitable for carrying sale plants should be brought in Friday evening or early Saturday or Sunday mornings.

REMEMBER a special table is being provided for all club members buying plants during the show/sale. No plants shall be held for club members in the plant sale room. The plant must be purchased and labeled with your name and placed on the table behind the reception desk in the auditorium. NOTE: Discounts on plants purchased by club members will only be given to those members who are working at the show/sale. That discount will be 10%.
