

SOUTH COAST CACTUS AND SUCCULENT SOCIETY
meeting NOVEMBER 9, 1980: 1:30 P.M.
at the South Coast Botanic Garden
26300 Crenshaw Blvd.
Palos Verdes Peninsula

The last BOARD MEETING of 1980
will be held on November 9th,
at 12:30P.M. preceeding our reg-
ularly scheduled meeting. All
BOARD MEMBERS please attend.

PROGRAM: This month's featured speaker will be Mr. Waldo Ford, a former pro-
fessor of Geology at El Camino College.

REFRESHMENTS for NOVEMBER will be provided by Bert Muensterman, Eve Workman,
Virginia McNeal, and Jack Wadleigh.

PLANT OF THE MONTH: One succulent that flourishes in indirect sunlight is the
Sansevieria. Commonly known as the snake plant they are native to Africa and
India; and, have been popular house plants for generations. Able to survive
with casual care they have proven to be the most indestructible of succulent
houseplants.

LAST MONTH: Members enjoyed visiting Singers in Northridge and Abbey Gardens
in Carpentaria for our annual plant buying spree. A short business meeting
was held and the nominating committee presented its slate of officers for 1981
They are:

President.....Karen Holley
1st Vice President..Ed Hancock
2nd Vice President..Bert Muensterman
Secretary.....Carol Kennedy
Treasurer.....Frank Denison
Show Chairman.....Jack Wadleigh

Elections will be held
this month. Addition-
al nominations will be
taken from the floor.
Installation of elect-
ed officers will take
place at our December
meeting.

YOUR 1980 DUES are running out! RENEW FOR 1981.
Membership dues are being accepted by Norma Holley
for the new year beginning Jan. 1, 1981.

Memberships purchased after Oct. 1, 1980 need not renew. But all memberships
purchased before that date must renew in order to remain an active mem-
ber, receive the newsletter, and be included in our 1981 rost-
er. Enclosed you will find a new, and we hope, easier way to
renew. Fill it out and bring it to a meeting or mail it as
quickly as possible.

-- What will you be bring to add to our festive display at
"Holiday at the Gardens"? This spirited contribution to
the season is coming up fast. Start planning now!

-- On Nov. 14-16 there will be a geological
exhibition to the Anza-Borrego Desert area
conducted by Joan Baldwin, Professor of
Geology at El Camino College. During the
trip the geology of the region will be
observed and discussed. If you'd like
to tag along, please contact Joan Baldwin
at El Camino (532-3670, ext. 691).

-- There will be an African Violet Show on
Nov. 22-23, at the Huntington Beach Center
Mall, 7777 Edinger Ave. Hours 10 to 6 on
both days.
