#### LETTER FROM OUR OUT GOING PRESIDENT

Dear Club Members,

I want to thank all of you for  
your support these past three  
years as I "held the reins" of our  
club . I especially thank the  
Elected Officers and Board Mem-  
bers who performed their jobs so  
well. My job was made easy.

Now lets rally around Karen  
and our club wil continue to  
grow and our knowledge of cactus  
and succulents increase.

Mary Belle Wallenhorst
