

### President's message

**It's SHOW and SALE TIME!  
The BIG EVENT is here! The 2024  
Show and Sale will be at the Palos  
Verdes Art Center on April 13-14.**

Hours will be 9:00am-4:00pm both days and admission is free. Set-up is on Friday, April 12, from 12:00-5:00 pm.

We depend on you, our members, to publicize the event. Please encourage your friends and neighbors to attend this FREE event. You may distribute postcards and send the E mail announcement to them. This year we also have a wonderful video created by Mike Short to publicize the event. See the home page of our website: [southcoastcss.org](http://southcoastcss.org).

~**Society Show Tables:** Bring your plants to show! Points will be awarded toward your Mini-Show count for up to 5 plants exhibited. Entry slips will be on the tables for you to put your name and the plant name. There will be no individual tables due to space constraints.

~**Society Sale Table:** Donate your plants to sell at the Society Sale Table! These plants need to be brought on Friday to the Holding table so they may be priced and labeled. Please provide names for your donated plants if you know them. You may also contact me ([minniecap@icloud.com](mailto:minniecap@icloud.com)) if you have any plants to donate and are unable to bring them on Friday.

~**Volunteers:** Anyone who has not already signed up to volunteer Friday, Saturday or Sunday, please contact Terri Straub, [terriStraub@me.com](mailto:terriStraub@me.com) or text/call: 424-445-9222. For those who work all day over the weekend, lunch will be provided.

~**Parking:** We ask that volunteers park on Crenshaw Blvd. to make space at the facility parking lot for attendees.

I hope to see you all at the sale!  
Maria Capaldo

## South Coast Cactus and Succulent Society Show and Sale 2024

April 13-14, 2024 9:00am-4:00pm  
Palos Verdes Art Center  
5504 Crestridge Road  
Rancho Palos Verdes, CA 90275

- Artistic pottery
- Expert advice for all levels of growers
- Showing plants in an artistic venue
- Art Center galleries and gift shop open

# Show and Sale-Volunteer Positions

**Society Members:** This is a general list of job descriptions for the upcoming Show and Sale, April 13-14, 2024.

Our Sale is successful only with your participation. Please read this over to find a job you would like to do. We welcome all to sign up for shifts: Friday after 12:00 pm, Saturday and/or Sunday, 9:00 am-12:30 pm or 12:30 pm-4:00 pm. Two hour shifts are also available.

For information or to sign up for a time slot contact Terri Straub:

. Email: terristraub@me.com

. Text: 424-445-9222

. Call: 424-445-9222

## FRIDAY SETUP

Arrive Friday, April 12 at 12-1:00 pm or anytime thereafter to help arrange the tables, put up signs, assist with labeling and pricing of Sale Table plants. General helping of show organizing, including unloading plants from cars.

SOCIETY SALE TABLE: These are plants society members have donated. The table needs to be set up with tablecloths and plant tags by Friday afternoon. (All are provided by the society.)

Members can bring in their plants starting Friday afternoon. Saturday morning help arrange the plants on the table and make sure they are pest free. On Saturday and Sunday, keep an eye on the plants, answer general questions about the plants and keep table looking nice.

## CASHIERS

Check out buyers by ringing up the cost on the tags, adding up the total with tax and collecting cash and checks. Experience with a cash register advised. Credit card person will run the cards and give receipts.

## TAG PULLERS

We need many people to help pull tags in different shifts. Tags are in the plants the buyers are purchasing. Pullers need to pull the tags, count them and make sure that number matches the number of plants to be purchased.

## HOSPITALITY/MEMBERSHIP/ T-SHIRTS

Volunteers will help with new memberships or sell T-shirts, if available. Answer general questions and direct guests to features of the event.

## PRESALE PLANT HOLDING AREA

These volunteers will help watch that buyers only take their plants and not pick and choose from other people's plants in the holding area. Can be a sitting job.

## CLEAN UP

At 4:00 pm Sunday we close the show/sale. We need volunteers to help take down signs, clean off tables, sweep and general clean up. Pack up rented tables, if needed.

February 2025	Stenocactus, Echinofossulocactus	Euphorbia from Madagascar
March 2025	Thelocactus	Aeonium and Greenovia

### Mini-Show Rules

Exhibitors must be Society members and must be present at the meeting in order to receive points. One name representing the same household must be used unless plants are grown separately. Mini-Show coordinator will be consulted if there is any question of entry identity.

Any container may be used, including plastic, as long as it is clean. All plants must be groomed and free of pests and disease. There are two plant categories, "Cactus" and "Succulents." Up to three plants per individual may be entered in each category.

#### Scoring:

First Place: 6 points

Second place: 4 points

Third place: 2 points

Placement: all entries that are not disqualified: 1 point.

An individual plant may be entered only once a year. There are three entry classes: "Novice", "Intermediate" and "Open." Only members new to the hobby would be expected to be in the Novice class. After the November meeting, members' point totals will be reviewed by the Board of the Society.

Novice members awarded more than 64 points or winning at least 6 first place awards may be asked to move to the Intermediate class in both categories. Intermediate Members awarded more than 64 points or winning at least 6 first place awards, may be asked to begin showing in the Open class.

All plants must be grown by the exhibitor for a minimum of six months for Novice and Intermediate and one year for Open class.

## What's in your garden?

Overnight arrival in our backyard. This subspecies has a blue cast. Native to the Neotropics (southern Mexico, Central and parts of South America, and Caribbean). Planted several years ago by Anita Caplan via Gary Duke's collection. Technical information: iPhone regular lens, subject true color, angle 45 degrees to the sun, background digitally reprocessed.

*Pilosocereus*
