DR. SEYMOUR LINDEN  
CSSA PRESIDENT

PRESENTS

**S U D A N**

THE PEOPLE, THE PLACE  
AND THE PLANTS

Dr. Seymour Linden, President of the C.S.S.A. (the Cactus and Succulent Society of America) will present his travelogue about Sudan, Africa's largest nation, which is located in Northern Africa. Sudan's diverse geography ranges from swampland to sandy steppes and is the home of many fascinating plant species, among these the Euphorbia and Mesembs. Dr. Linden has travelled extensively in Africa and South America during the course of his botanical studies, and is well known to the people of the cacti and succulent world.

VISITORS WELCOME!
