

*1030 0201*

The South Coast Cactus & Succulent Society will meet on Sun., Aug. 12 at 1:30 P.M. in its usual place at the South Coast Botanic Garden.

Virginia Martin will be the speaker. She will take us on a tour of Baja California with slides and an account of her adventures on the peninsula.

Reservations for the trip to Tegelbergs Cactus Garden and Nursery will be accepted at this meeting. Cost of bus trip will be \$5.00. We will leave the Gardena bus depot at 154th Street and Van Ness Ave. in the city of Gardena at 8:00 in the morning on Sept. 9. It is a two hour 'plus' ride and we will be there at noon, so bring a sack lunch.

Plant of the month will be sempervivens and any plant that you have in bloom.

The plant chairman needs small plastic pots--2" and 3" pots.

Feel free to bring in problem plants; the ones that do not look so good, and an effort will be made to tell you what is wrong with them and what can be done with them.

Plant table, door prizes, white elephant table, discussion and refreshments. Come and bring a friend.
