

SOUTH COAST CACTUS AND SUCCULENT SOCIETY
REGULAR MEETING, APRIL 13, 1975: 1:30 P. M.
South Coast Botanic Gardens
26701 Rolling Hills Road
Palos Verdes Peninsula

Stan Oleson, President

SHOW COMMITTEE MEETING:

There will be a Show Committee meeting at 12:30 preceding the regular meeting.

PROGRAM:

With our Show approaching, it is time to be preparing plants for showing, so Stan will present a program on the basics of showing your favorites.

PLANT OF THE MONTH:

This time the plant of the month is Dyckia and related genera. You may have one and wonder if it is perhaps an aloe until it blooms -- then you know your doubts were well founded.

BRAGGING PLANTS

There is a lot to brag about this time of year. Some of the plants that like to bloom in the winter are still blooming and Spring is working its wonders on a lot more.

LAST MONTH:

Last month Ted Taylor treated us to a general review of succulents under the pretense he was showing stamps! He was showing stamps, but the amazing fact is, the variety of postage stamps from different countries is such that they could provide the illustrations for a book on the subject.

BUS TRIP TO SAN DIEGO NURSERIES:

April 12 at 9:00 A. M. Gardena Bus Lines
154th and Van Ness
\$5.00 per person
For reservations, call Jim Sommes, 676-8485

WHITE ELEPHANT TABLE:

Beryl MacDonald wants donations for the White Elephant Table. We can't sell what we don't have! So bring in your junk to be someone else's treasure!

POTS FOR PLANT TABLE:

Bob would like donations of 2" and 3" square plastic pots for plants for the plant table.
