■ LAST MONTH: We enjoyed CSSA as our guests. After our short meeting they held their annual meeting nominating candidates for the next year. We all enjoyed a plant sale and tasty refreshments supplied by members and our guests. Gary Lyons, Chairman of CSSA Conservation Committee, was the speaker. "Conservation: Boom or Bust" was his subject. After a short history of CSSA involvement in conservation, he covered the new laws as they are now written and the efforts being made to effect changes which, if not made, will indeed mean a 'Bust'.
