NOMINATIONS and ELECTION: This is the month we elect our 1979 Officers.
Last month, Stan Oleson, Chairman of the Nominating Committee, reported their
nominations as follows: President ----- MARY BELLE WALLENHORST
1st V.P. ----- ED HANCOCK
2nd V.P. ----- KAREN HOLLEY
Secretary ----- CAROL KENNEDY
Treasurer ----- ROSALIND HANCOCK
Show Chairman - BERT MUENSTERMAN
Members may make addi-
tional nominations at
the meeting. It is
wise to avoid possible
embarassment by asking
your prospective nominee ahead of time if he or she would accept such an
office if elected.

LAST MONTH: We hopped on a bus and headed South about 8:00 A.M. last meet-
ing day and ended up at Tropic World in Vista, then Avery's Pots. We all
had a grand time -- most of us learned a lot and spent too much money!
We all thank Bert Muensterman for all her labor in making the arrangements
which included the not easy task of finding out who could accommodate
such a group as ours.

ALSO LAST MONTH: A big thankyou goes out to all who participated in the plant
display and sale at the Country Hills Shopping Center at Rolling Hills Road.
Active members like these are greatly appreciated and are very important to
the sucess of the club.

COMING UP: Start thinking about and/or working on Christmas decorations made
of Cacti and/or Succulents for "Christmas at the Gardens". We are signed up
to put in a display again this year.
