RULES AND REGULATIONS

- 1 All exhibitors must be members of either the CSSA or an affiliated club.
- 2 **Field-collected plants are not accepted for entry.**
- 3 All entries must be registered prior to show placement. Pre-registration is required for classes 128 & 129. Please contact Show Chair.
- 4 All plants must be grown by exhibitor for a minimum of six months prior to the show, and be FREE OF ALL PESTS AND DISEASES, otherwise entry will be removed from the show.
- 5 Classes 1–125 are for INDIVIDUAL POTTED SPECIMENS, i.e., one physically connected plant per container.
- 6 Pot size refers to the average inside diameter. For irregularly shaped pots, add the longest and shortest inside diameters and divide by two.
- 7 Both sections of an entry card must be completed for each individual entry, with exhibitor's name. Please fill out cards prior to set-up.
- 8 The annotation s.s (sensu stricto) indicates the class is intended for the *narrower* definition of the genus in question.
- 9 Variegated plants must be shown in the variegated class, including *Gasteria* and *Sansevieria*.
- 10 Grafted, seed-grown and plants in plastic pots must be indicated as such on the entry tag and flagged.
- 11 Crested or Monstrose plants with more than 30% fasciation must be entered in Crested or Monstrose class.
- 12 Collections must be either groups of one genus or groups with similar characteristics, i.e., 'Plants of Baja' or 'Crested Cacti'. Only one plant per pot.
- 13 Props or figurines may only appear in the dish gardens and displays. Rocks or other natural objects are permissible as staging.
- 14 Planters are defined as multiple plants on separate root systems in one pot. Plants in the same genus are acceptable. Dish Gardens are defined as multiple plants on separate root systems with multiple genera and/or with added props.
- 15 Intergeneric hybrids may be entered in the class of either parent.
- 16 Bonsai are defined as those plants which have been artificially altered in form or function. These are shown in the class of the plant.
- 17 Show committee and judges have the right to relocate plants or remove those with pests/diseases.
- 18 Show judges and Chair will award two rosettes each.
- 19 Entries cannot be removed before the show ends on Sunday.
- 20 **THE JUDGES' DECISIONS ARE ALWAYS FINAL.**
